

# Attention artists and creative minds!

As we celebrate across Australia and the world the 150<sup>th</sup> anniversary of the founding of the congregation of the Daughters of Our Lady of the Sacred Heart, we invite you to take part in our exciting competition, where your unique talents will shine and inspire in a fun and creative showcase

This is a unique opportunity for you to showcase your artistic talent and contribute to a significant milestone in the congregation's history.

As we celebrate this momentous occasion, we want to capture the spirit and essence of the congregation in a logo that will become a lasting symbol of their incredible journey.

We are inviting students to design a captivating and meaningful logo that reflect the values, history, and mission of the Daughters of Our Lady of the Sacred Heart. There will be two winners selected, one from a primary school student and the other from a secondary school student. The winning logos will be used for the upcoming Jubilee year of celebration!
